

Declaration of Dependence

We the people of State of Oregon, gathered in solemn assembly to repent for the sins of our fathers, do cast off the bonds of Iniquity that have so long held captive this land, and acknowledge and Declare our Dependence wholly on the Divine Creator of the Universe and His Son, who through His blood, we have gained the propitiation of sin.

“The earth is the LORD's, and the fullness thereof, the world and those who dwell therein.” Psalm 24:1

We do Declare that the State of Oregon belongs to God. We affirm that He is the Creator, we are His creation. We Declare that it is only through the Divine interposition of His Providence that Oregon shall be saved. We submit ourselves to His Divine plan for Righteousness in the State of Oregon.

We do Declare that the LORD, He is GOD, and GOD alone; and that we recognize no Sovereign, no King but Jesus Christ, the King of Kings, and that His is a Kingdom that has no end.

We do Dedicate ourselves and our Posterity to will and to walk in Righteousness, and do stand for the Lord Jesus Christ, in obedience to His commandments. We pledge to be watchman on the wall, to tend and keep this land to which the Lord God has assigned us.

We therefore, at Salem this 17th Day of May in the year of our Lord 2026, do Declare our sole Dependence on the Creator of the Universe and submit ourselves to His Divine plan of Righteousness for the State of Oregon.

Amen.
