Hour & Minute 1:00 to 1:22

Tim Sheets:

Prophet Sam Brashfield, who prophesied a lot about what we've been experiencing at the first of the year, he called me and he had a dream about this conference. And tonight, if you are here, and you're from the Salem Oregon area right there, and I know some of you are because you've told me, raise your hands wherever you are. Why don't you guys come and stand right here because we have an assignment that we're going to do. And we include those of you that are watching tonight from that area and the surrounding area or close.

Now, he called me and he said, "I was awakened and I had a dream and I was awakened about 2:00 in the morning. I dreamed about the Glory River Conference that you're having." And soon as he woke up from the dream, he heard these words, "Oregon, Oregon, Oregon. I'm doing a great thing in Salem, Oregon." (Salem, of course, is the capitol of Oregon.) It will become known as the Niagara Falls of Glory." He's waking up out of his sleep. "It will be known as the Niagara Falls of Glory on the West Coast." Of course, Salem in the Bible means peace and it became Jerusalem. It was first called Salem. And in Psalms 110, Melchizedek was the King of Salem representing of course the King of Glory, Jesus, the Prince of Peace or our High Priest. And he said in this dream that he said, "Lord, what is this? What are you telling me?" It's not making sense to him at that point. And the Lord said "Oregon" again. And finally he said he looked it up and it's a Shoshone word that means 'River of the West'. Yes, 'River of the West'. He (Sam) said, "What does that have to do with the River of God in Ohio?" And he said, "Well, in this dream, he saw me and Dutch and you people stretching out your hands towards people that would be here from Salem, Oregon."

God already knew you'd be here, but that we were to use our apostolic authority. He said, "You and you and Dutch have apostolic authority and it's an apostolic conference." If you would just stretch out your hands towards them and declare that Glory River West will now begin to rise. He continued: "The River of God will flow through Oregon, then Washington, washing it, Washington state, and then down through California. (Tim: Wow.) He said, "You are to release the River of the West from Glory River Conference." Then he said, (Tim: It's unbelievable how hard it is to write down notes from Sam Brashfield. I mean, he shoots it out like a shotgun.) that we're to send you back with the anointing from this conference. And as you begin to intercede in Salem, Oregon, and God's going to use you, and if you will steward it and pray it, a Niagara of Glory will begin to flow. I don't think we were ready for that until now. It just happened. The Prophet not even here gets awakened.

Dutch Sheets:

I just want to add this too. You know, I was out in California ministering a couple years ago now. I guess it's been two years, and you know, I expected to get to California and be thinking, "I'm just here doing this for a friend and I'm gonna bless the people, the church that's here with a message. But if I got anything to say to California, it's 'turn or burn', you know? I got to California and I felt this overwhelming love of God for that state (California) and those people. And he said to me very clearly, "Don't curse these people. I love California and I'm going to send another great awakening to California." So that's what this is all about. This is not just about California. I'm not implying that. I'm saying this is God and He's saying He's going to start there, but He's going to sweep through that whole West Coast and He's going to shock the nation: I think he's going to shock the nation with a transformation that starts taking place out on the West Coast. And the other thing I just want to add is that, you know Sam pointed out that Salem means 'peace' but it means more than 'peace'. It's Shalom, Salem, and it means wholeness; not fractured, not broken. So the Hebrews took that word because your soul is no longer broken and fractured. You're at peace. You're not torn over this and that. He's made you whole here. The Lord Our Peace, Jehovah Shalom, is not the Lord our tranquility. It's the Lord who brings us wholeness.

If He's saying this word over Oregon and then down through there (The West Coast), He's saying more than peace. He's saying ***transformation and wholeness***. And I am absolutely convinced this is a word from God.

Tim Sheets:

Yes. And we're just putting it together live in front of you. I mean, but the rededication that just aligned in Washington D.C., now God speaks and says, "I'm going to." Can He cause a rebirth? California, Washington...WOW!

Dutch Sheets:

There are roots of revival.

Tim Sheets:

Wow!

Dutch Sheets:

There are roots of revival.

Tim Sheets:

Wow!

Dutch Sheets:

There are strong roots of revival. Azusa Street. Yeah, there are roots of revival. John G. Lake's headquarters was in Washington.

Tim Sheets:

Keep going.

Dutch Sheets:

I'm just saying 'the roots'. There are roots of revival on that West Coast. Azusa Street and John G. Lake; the greatest healing anointing maybe that's ever hit our nation was in Spokane, Washington. This West Coast God's coming after and say, "I've got some stuff buried there, but I'm about to get it uncovered." A new thing. A new thing. A new thing. A new thing. You ready to do it?

Tim Sheets:

I'm ready. All right. I think we'll just do what he saw in the dream. Stand and stretch your hands out to these people. Yeah, they're (you're) representing it. This is a symbolic act. At the word of the Lord, we release the anointing of the Kingdom of God, the Word of our King, the Word of Holy Spirit. Yeah. And we loose Glory River West. Glory River West. Glory River West. In the name of Jesus, loose the River of God, the Niagara of God flow, flow through Oregon, flow through Washington, flow through California. Everything lives where the river flows, everything lives; transformation and renaissance in Oregon. You do a new thing. Rebirth. Reconnect Oregon to covenant roots. Reconnect Washington. Reconnect California. Let the river flow so that the Niagara of the Living God flows. As representatives of Your Kingdom, Lord; the heirs in this Glory River Conference and as Apostles in the Kingdom, we declare in the name of the King of our Kingdom, Jesus the Lord. Be loosed. Glory River West be loosed. Yeah, Lord.

Dutch Sheets:

Just as that word in Jeremiah 33:3 means fenced in, hidden, saved, protected, the gold that's been buried but is now being mined, we just claim that word for the West Coast from Salem, Oregon, Washington, California, up and down that coast that has roots of revival. There's gold on the West Coast and we're pulling it out in Jesus name. Bring the mighty things again to the West Coast of this nation. Niagara, Niagara, a great river. From Glory River Conference to the West Coast. We release it now. Wholeness. Wholeness. Wholeness. Wholeness. The river that brings wholeness. The river that brings healing. The river that brings salvation. The river that brings revival. The river. The river. The river. Everything lives where the river goes. We release it to Oregon, to Washington, to California, and then to Idaho, and then Nevada, and then Utah. We say the West will burn with holy fire. And the river of God will cover that region of America with life again. Springs in the desert and rivers in the wilderness. (Tongues) Uncap is uncap the healing wells. Uncap the wholeness of Salem. Thank you, Lord.

Tim Sheets:

There's something Holy about this. Just as he said, this is just not a ritual. This is not symbolic. This is an announcement of the Kingdom of God. Yes, it is. This is historic. It has something to do with the rededication of this nation. (1:15:24) Because of that, the King says, "I will realign and I will rebirth and I will reestablish covenant." We declare great harvest coming from the West Coast. We declare new leaders, new leaders. New leaders. New leaders in Oregon. New leaders in Washington. New leaders in California. Live again. Live again. Live again. California. Live again. Live again. Pray God. Glory River West. Yes. Niagara; the Niagara of the West. Rise. Rise. Rise. Thank you, Lord.

This day is marked. Didn't you say that this morning? So, I felt like the Lord said this would be a day when something's marked.(1:17:01) If there were ever three states that need changed... You think God can do it? Oh, absolutely. Let the river flow. Let the river flow. Let the river flow. Let the river flow. Let the river flow. Hallelujah. Thank you, Lord.

All right. Well, we're supposed to send you. He kept saying to me, "Now, you make sure you send them." Amen. Yeah. Send them. We send you forth to go and minister for the King and release this Word under the anointing of Holy Spirit. Take Glory River to Salem. We send you in the name of King Jesus. We send you with this anointing upon you. We send you on this assignment and you will you will be anointed. We send you in Jesus' name. We send you. We send you under the anointing of the Lord. We send you to go and release the Word of the Lord. Release the Word of the Lord in Oregon. We send you from Ohio. We send you on this assignment. Go and succeed. Go and succeed. Go and succeed. We send you in Jesus name. Hallelujah. Well, hallelujah. Thank you. Thank you. Thank You, Lord.

Lord, tonight we thank You for what has happened, what just happened and what has been happening. And we declare the River of God is going to flow through the United States of America. It's going to flow through every state. It's going to throw flow through territories, regions, *ekklesia* hubs.(1:20:10) We declare in the Name of Jesus, waters to swim in, the floodgates open of the river. Signs, wonders, and miracles in that river. Flow, flow power of God throughout all of America and this world. Flow through Washington DC. We declare the rebirth will begin to manifest in mature ways; seen ways as the King of Kings rises taking center stage, as His river flows, flows through the valleys, flows through the hills, and everything lives. We declare that this night the River of God is beginning to move into a different stage. That's right. And it is beginning to accelerate. We declare, 'accelerate River of God'. Accelerate River of God. Flow River of God. Accelerate into the nation. Accelerate. Everything lives. Everything lives. Praise.
